

Banking Compliance Library (including materials from A S Pratt)

This detailed library not only includes federal cases, annotated statutes, rules, and administrative materials, but also timely reports of current developments

What's more, every point of law has an assigned West Key Number based on case concepts, not just case language, making your search as quick and easy as possible.

Finance and Banking

This library includes a vast section relating to finance and banking – encompassing the combined text of treatise and newsletters published by A S Pratt & Sons, or Sheshunoff Information Services Inc. These publications cover legal and regulatory aspects of topics such as bank checks, deposits, credit cards, collections, secured transactions, e-commerce, letters of credit and lending.

The Banking Compliance Library is one of the hundreds of international library databases offering comprehensive, trusted, and high quality information for legal research – any of which you could have access to, through a Westlaw subscription. For further details, please see below.
