

# The Immigration Library

**Whether your clients' issues are related to work, family, education, asylum or non-immigrant matters, you'll have all the foundational information you need in this library**

The US Immigration Core Analytical Library offers essential resources for every immigration researcher. As well as sourcebooks, handbooks and releases for the practice of immigration law, the Library also contains the following information:

- Interpreter Releases
- Immigration Law Service
- Immigration Briefings
- Law Reviews and Journals
- News Sources from Dialog, a Thomson Company

Now you need never be without the right information on Immigration matters.
