

Securities Library (including transactional forms)

Access full-text SEC filings within 60 minutes of receipt at the SEC

With this comprehensive online library you can obtain investment, accounting, banking, business, and securities information quickly and easily.

You'll have access to NASD materials, proxy statements, registration statements, prospectuses, 8-Ks, 10-Qs, 10-Ks, and new EDGAR filings, as well as Company Information and Submission Information documents from Thomson Financial.

Additionally, you'll have access to insightful treatise, including Bloomenthal's Securities and Federal Corporate Law and Going Public and the Public Corporation. A strong business publications collection via Thomson Financial and Thomson Dialog makes this library a must for any securities or business law practitioner.

Materials include:

- NASD materials
- SECNOW full text of current SEC filings, within 60 minutes of receipt at the SEC. It includes proxy statements, registration statements, prospectuses,
- 8-K, 10-Q and 10-K reports, and all other new EDGAR filings, as well as Company Information and Submission
- Information documents from Thomson Financial
- Selected law reviews
- A valuable collection of insightful treatise, including Bloomenthal's titles such as Securities and Federal Corporate Law and Going Public and the Public Corporation.

- A strong lineup of business publications via Thomson Dialog and Thomson Financial, a Westlaw exclusive

This all-encompassing Securities Library offers the primary content as well as all of the analytical and forms databases. And with the addition of the CBC Securities Law Series, it also rounds up our existing analytical securities library, providing the most comprehensive coverage available.
