

Tax Library

Finding a detailed, authoritative, and yet quick and easy to use reference on US Taxation is often difficult...

But here, in this Tax Library, you can access a rich collection of Federal and State primary tax content, as well as respected analytical sources such as Mertens and Casey treatise, and new analytical content. These represent the Audited Taxpayer, and Representation Before the Collection Division.

Tax Platinum Library includes:

- Federal tax cases and statutes
- Treasury Regulations (including Final IRS Regulations and Temporary IRS Regulations)
- Internal Revenue Manual – IRS Private Letter Rulings
- IRS Technical Advice Memoranda IRS Chief Counsel Advice – IRS Field Service Advice
- IRS Litigation Bulletins – IRS Litigation Guideline Memoranda
- IRS Service Center Advice
- General Counsel Memoranda – News Releases
- Revenue Rulings and Procedures
- Tax cases, statutes and regulations for all 50 states
- Mertens Law of Federal Income Taxation: Treatise and Rulings
- Casey Federal Tax Practice
- Internal Revenue Manual Abridged and Annotated
- Tax Aspects of Real Estate Investments
- Consolidated Tax Returns, 3d
- Representing the Audited Taxpayer
- Representing the Bankrupt Taxpayer
- Representing Nonprofit Organisations
- Representation Before the Collection Division of the IRS
- Representation Before the Appeals Division of the IRS
- Tax Penalties and Interest

The Tax Library is one of the hundreds of international library databases offering comprehensive, trusted, and high quality information for legal research – any of which you could have access to, through a Westlaw subscription. For further details, please see below.
