

US Corpus Juris Secundum Library

A comprehensive legal encyclopedia containing over 400 topics that are cited and quoted as authority in courtrooms across the United States

Covers the text of Corpus Juris Secundum

The Corpus Juris Secundum (CJS) encyclopedia is a Westlaw exclusive, covering the complete CJS text, and including Insurance, Internal revenue and Patents. In each article, the broad principles of the law are explained and developed in concert with the way they must be applied by the lawyer and the courts. CJS includes citations to both state and federal court cases, providing the user with a full perspective of the law locally and nationally.

CJS Library Content:

- CJS contains over 400 alphabetically arranged topics covering all fields of American Law – state and federal, civil and criminal, substantive and procedural
- CJS (Corpus Juris Secundum)
- CJS-TOC (Corpus Juris Secundum Table of Contents)
- CJS-INS (Corpus Juris Secundum Insurance)
- CJS-FTX (Corpus Juris Secundum Internal Revenue)
- CJS-PATENT (Corpus Juris Secundum Patents)

Overall, CJS is an ideal resource for gaining an overview of a particular area of law, as well as a “refresher course” for attorneys already familiar with the topic. A lawyer can refer to CJS to help identify a problem, determine if he or she has a case, and if so, if the case is worth pursuing.
